

# 2023 HOMESCHOOL FAMILY CONFERENCE

AUGUST 7-8, 2023

## *How to Teach the Bible*

1. Read the Bible Aloud.
2. Learn to Use the Bible.
3. Discuss the Bible.
4. Memorize the Bible.
5. Journal What is Learned in the Bible.

As you read the Bible:

- Read the Bible WITH your children and TO your children.
- Take turns reading aloud. (Mom and Dad should read aloud, too.)
- Remind your children to give the answers to questions **only** from the Bible. No manmade opinions allowed! 😊
- It's okay to stop and look things up.
- Children should also learn to read the Bible on their own each day.

Recommended Resources:

- Bible curriculum at Foundations Press,
